

Social Indicators

By ZIP Code for Sacramento County – 2008

These data provide profiles of the community for local public officials, administrators of human service programs, service providers, program planners, community organizers, and grant writers.

The data were collected in 2008, and reflect the most current information available. The terms used for ethnic groups reflect the terms used by the Federal Census Bureau.

Funding for the collection and maintenance of this data is provided by the County of Sacramento, the City of Sacramento, and the Sacramento Employment & Training Agency (SETA).
